CERTIFICATION

This is to certify that I have personally originated the concept behind each entry, and that to the best of my recollection, images represented by my entries in no way intentionally imitate any other photographic work I am familiar with. I further certify that the original captured images were created, composed and made by me and that processing, printing and any special effects were done by me and or under my direction. I further certify that I have not entered any other affiliated photographic competition this calendar year. I understand this statement and I also understand that a loss of five Exhibition Merits will be incurred if the above statement is proven false. I have obtained all necessary releases and agree to hold PPA harmless against all claims and liabilities arising out of PPA's consideration, display, publication, promotion or other use of each photograph or other materials submitted to PPA.
